

Fourth Annual Report for the year 2024-2025

Respected Members,

We, the Executive Members of Namma Roopanagara Resident Welfare Association, heartily welcome all members to the Fourth Annual General Body meeting of our association. We are very happy to present the progress and activities report of the association for the year 2024-2025.

Objective:

- Namma Roopanagara Resident Welfare Association (NRRWA) is a civic body that represents the interests of the residents of Roopanagara, Mysuru. NRRWA was basically formed to create oneness among the residents by helping each other and thereby making Roopanagara as one of the most sought-after residential layout in Mysuru as well as to provide support for the Layout maintenance activity which is being taken care of by the society - DHBCS. With co-operation and support from DHBCS, NRRWA is confident of building a harmonious colony with warmth and happiness.
- NRRWA will continue to strive to build a Clean & Beautiful Roopanagara and intends to create a Vibrant, Liveable, Healthy Neighbourhood with a good Supportive & Socially connected neighbours. This is possible with an effective communication among residents to understand and to be understood. It has also been a concern of NRRWA to manage the finances judiciously to ensure long term sustainability and autonomy. In its activities till now, NRRWA has encouraged and supported members with talent and expertise to support the community in different activities.
- Our aim is to Embrace the highest standard of integrity, honesty, transparency, accountability and equality as a Civic body.

Backdrop:

A movement of like minded residents of Roopanagara, which started from Cleaning of Park, culminated in decision to form a residents welfare Association. Lot of hard work taken place in collecting data of residents and forming a WhatsApp group. A Core Group consisting of active residents was formed to take forward the formation of Association. Some core group members came forward and committed their time and energy to accelerate the work by being a part of the executive committee. After several rounds of discussion, EC members finalised the MOA and Bylaws / Rules & Regulations. Thus, the effort of residents over a period of one year, resulted in formation of the NRRWA which ultimately got registered 9th September, 2021.

Activities of the Association in 2024-2025:

8th April to 17th April, 2024 - Summer Camp for Children: Sponsored by Yuva Brigade: Children from Roopanagara and nearby area participated in the program at our office premises. Many activities including Yoga were included in the program. This program benefited children in developing social skills, creativity learning, problem solving skills and team work.

9th June, 2024: World Environment day: Team distributed 200+ saplings indented by the residents free of cost in association with Forest department. 30 selected saplings were planted at "Namma Vana" and being taken care by the Association. Saplings were planted by Dr. Latha Sudheer, Sri U N Ravikumar and other dignitaries. A Gardner was appointed to watering and maintenance of existing and newly planted saplings, with part of the financial assistance received from DHBCS.

21st July, 2024 – Inauguration of newly laid walking path, badminton & Volley ball court @ Namma Vana :

Roopnagara has many parks. One of the main objective of forming Association is to see that these parks are put to use by residents. To begin with, members thought it is better to start our venture from Park near 21st cross, adjoining Suvarna Road and Vidyalaya Road. Park team was formed consisting of residents and EC Members who will oversee the developments. This Project aimed at developing walking pathway, children play area, Toddlers play area and an Amphitheatre. Cleaning work started on 2nd August, 2023. Many residents participated as volunteers during early hours, cleaned up the park. Thereafter, on several Sundays / Holidays volunteers participated in work relating to development of park which was named as "Namma Vana". The park is now fully developed due to efforts made by park Development team of NRRWA. Developmental work consumed more funds than estimated. Several residents and DHBCS donated materials and money which helped us in competing the task. Walking Path was inaugurated by Smt. Gayathri K M, IAS, CEO, Zilla Parishad, Mysuru,. Shuttle badminton and throwball courts are inaugurated by Sri Sadashiva Pujari, V.P. DEST & Secretary of Gokarnanatheshwara Trust and Sri Balakrishna K, Secretary, Deepa Credit Co-operative Society

28th July, 2024 – Special program held for student by Dr. Hema Chandra.P.N for high school & college student for future career path: Program was organised for preparing students for better tomorrow. Dr. Hema Chandra was the resource person. 30 students from Roopnagara attended the program and they found the program was very useful to them.

15th August, 2024: Independence day program : Blood Donation Camp was conducted in association with Blood Bank Centre, K R Hospital. 40 residents donated their blood during the program. We also honoured meritorious students of Deepa School, who passed SSLC and PUC by giving cash prizes on this day.

1st September, 2024: Eco-friendly initiative - Clay Ganesha Program: With the objective of bringing our community together, induce culture into our Gen Next and introduce Eco friendly alternative to our festival, clay Ganesha workshop was conducted by the Association at "Namma Vana". 37 residents/children participated in the workshop. Artists from CAVA helped residents to make the idol with clay.

4th September, 2024 – Inauguration of solar Steet lights at Namma vana: Two of our residents together had donated 10 solar street lights to Namma Vana, which were inaugurated by Mrs. Jagadeesh, Industrialist, Roopnagara, by switching on the lights.

14th September: 3rd Annual General Meeting and Special General Body Meeting:

Activities during 2023-24 and Progress made during 2024-25 were narrated to the members. New office bearers and EC members were elected. Outgoing President Sri Udayashankar thanked team members who helped in conducting various activities, members and residents for participating in activities and DHBCS for guiding, helping and supporting the association. Financials of the association were adopted. During the Special General Body Meeting, few clauses were included in the MOA and Rules and Regulations of the Association, so as to enable the Association to get registration under 12 A and 80G from Income Tax Dept., and CSR1 certification from MCA.

29th September, 2024 - World Heart Day: To Commemorate world heart Day Roopnagara residents & team NRRWA actively participated in walkathon and fitness exercise at Avantbkg hospital. More than 30 residents attended this program.

30th September, 2024: CPR training program for the benefit of public in association with Avant BKG Hospital: To celebrate World Heart Day Chief cardiologist Dr. Raj Gopal. J, Avantbkg hospital gave an interactive talk on Heart health. Followed by hands on training cum workshop on Cardio Pulmonary Resuscitation (CPR). Using the CPR procedure on some one who is not breathing, can keep them alive until emergency services arrive. It is important to know when to do CPR and how to perform it. Doctors and technical personnel from AvantBKG hospital trained the residents of Roopnagara providing step-by-step visual guide to perform CPR.

This program was organised along with deepa recreation club & deepa co-operative society Roopanagar. This event was attended by more than 100 residents.

13th November, 2024:

Rajyothsava

Celebrations:

Association organised various competition among the residents essay writing in Kannada, Singing, Anthakshari and Drawing with the theme related to Karnataka. Prizes were distributed to winners of competitions, followed by celebration "Nage Habba", talk by Prof. M Krishnegowda renowned humourist. Program was well attended and received by residents of Roopnagara.

5th December, 2024: Family day: Program was conducted with twin objective of bringing the community together and to encourage residents to use traditional games. Program was well received by the residents.

7th December, 2024: Program on Segregation of wet and dry waste: Pattana Panchayat was to start collection of Garbage from residents. Program, jointly organised by NRRWA, Deepa Recreation Club and DHBCS, aimed at impressing the residents on need for segregation of wet waste and dry waste while handing over home waste to the garbage collector. Sri Basavaraju, Chief Officer, Pattana Panchayat, Bogadi addressed the residents on the subject.

22nd Dec 2024: Composting – Awareness program on Wet waste Management: An invited session was organised to empower residents on how to manage wet waste. Dr. Anu Appaiah, Rtd Scientist CFTRI gave an interactive talk on how to manage wet waste at home. On this occasion Prof. U.N. Ravi Kumar was invited as chief guest. 75+ residents actively participated in this event.

9th February, 2025: Cardiac Screening of public by Doctors from Apollo Hospital: Exclusive Fitness session by physio team and tests related to functioning of Heart by Mobile team of Apollo BGS Hospital. Many residents got their Cardiac health check up. General Manager and head of hospital addressed the gathering and distributed prizes for winners of 'Fireless cooking' and 'Leafy vegetable Cooking' competition.

Social responsibility events like Cloth Donation and Book Donation to the needy, Helping students to pursue their further studies are regularly done with the involvement of NGOs. Felicitating performers in SSLC examination is another activity done every year. During election, we helped residents in issue of Voter list with the help of BLO.

Effort by NRRWA for improving Basic Facilities at Roopanagara for residents.

We are in regular correspondence/ submitting appeals and in dialogue with Chief Officer, Pattana Panchayath in respect of issue of blocked drainage causing sewage & storm water stagnation causing health hazard.

We have submitted appeal in respect of problems faced by the residents in respect of UGD, drinking water, Security and street light to both MLA and MP and following up with them.

Garbage collecting vehicle was introduced by the Pattana Panchayath after regular follow-up with them.

Activities of the Association in 2025-2026 so far in brief:

- 26th April, 2025: Vasanthotsava 2025: Karaoke music by expert singers from Roopanagara residents entertained Music lovers at Namma Vana. Participants also enjoyed eating at Food stalls put up by the residents of Roopanagara.
- 31st May, 2025: Home Composting – Demonstration of Composting bin: a follow-up program of composting done earlier. An effort to reduce dependence on garbage collector.
- 7th June, 2025: Members / volunteers participated in clean drive, removing plastic from streets and vacant site from 1st cross to 18th cross. "Poura Karmiks" from Pattana Panchayath joined hands with our team.
- 14th June, 2025: Foot Pulse therapy conducted in association with provider of therapy instrument, the Companio
- 22nd June, 2025: World Environment Day Celebration: Sri G T Deve Gowda, Member of Legislative Assembly, Chamundeshwari Kshethra addressed the gathering at "Namma Vana" after plating saplings at Namma Vana.
- 22nd June, 2025: Members participated in National Cancer Survivor month walkathon organised by Apollo BGS hospital, Mysore.
- 29th June, 2025: Celebrating International Day of Yoga in Association with Dept of Yoga, JSS Academy of Higer Education and Research. Special yoga session for senior citizen's mental and physical wellbeing was conducted by Dr M Sujana & Team.
- 15th August, 2025: Blood Donation Camp in Association with K R Hospital Blood Centre (Blood Bank), Mysuru
- 24th August, 2025: Clay Ganesha Workshop: Making Ganesha idol with assistance from experts. Gowri idol was given free to the participants.
- 7th September, 2025: Roopanagara Residents meeting with officials /Directors of DHBCS regarding collection of long pending Maintenance due from residents.
- 22nd to 27th September, 2025: Sri Srinivas, one of our member conducted class for kids for playing chess.

35 damaged LED street lights were replaced during the year after regular follow up with Pattana Panchayath Officials.

Problems of residents in respect of street lights and garbage collection are being attended by the team NRRWA.

32 street dogs were neutered during last few months with the help of People For Animals and with funding received from residents.

We have now completed the Amphitheatre at Namma Vana with the help of funds from Apollo BGS Hospital and Residents of Roopanagara. Amphitheatre will be open to public use shortly.

Park Development team has taken up the work of renovation of Park near Deepa Recreation Club, naming it on the architect of Roopanagara, "Suvarna Vana". Association will be focusing on getting funds from Corporates for the purpose. **Those residents who are part of Corporates / having connection with Corporates having CSR funds, please help getting funds as we are now CSR1 certified Association.**

Accounting Standard:

NRRWA has completed four financial accounting years. With three years financial, Association had applied for 12C and 80G certification with IT department. We are happy to announce that we got both the certifications.

With these two certification, we also applied to seek CSR1 certification from MCA and obtained the same. **We are one of the very few Residential Welfare Association who received CSR1 certification. We can seek CSR funds from the eligible entities for Development of our Layout.**

Executive committee of the ensuing year (Sri/Smt):

K.M. Chandrashekar	Dr.Sushma Appaiah	Uma Peshwa
Maya Shanbhag	M.K. Raghu Srinivasan	H.S. Chidananda
Gopal B M	N D Sudarshan	Shiva H N Shankar
Dakshinamurthy E	Malati Bhat	Srivathsa Shankar

As you are all aware the bargaining /negotiating strength of any association depends on the number of members it has. More the members better is the strength. As on date we are 325 members. Our lay out has 800+ residential buildings. This is possible only with the cooperation of residents. We request all members to help in this membership drive.

We thank all people who have helped in conducting various activities/developmental programs, members and residents for participating in activities and most importantly DHBCS for guiding, helping and supporting the association.

We immensely thank various donors, EC and CG members, association members and residents for their valuable and generous donations in cash and kind to equip the office, to conduct the various activities, programs, DHBCS for their generous donation and for our office space and facilities.

With Best Wishes On behalf of Team NRRWA.

M N Narasimhamurthy
President
